

Terms of Use

Market Intelligentsia (“we”, “us”, or “our”) provides the content on this website (the “Site”) subject to the following terms and conditions (the “Terms”). We may periodically change the Terms without notice to you, so please check back from time to time. Unless explicitly stated otherwise, any new features that augment or enhance the Site shall be subject to these Terms. By accessing and using this Site, you agree to these Terms.

1. Description of Service

This Site provides a variety of resources and information for users to engage with market research services (the “Services”). The Site does not provide legal, financial, or medical advice, and no professional-client relationship is created between users of the Services and Market Intelligentsia.

2. User-Generated Content Disclaimer

Some of the content on this Site, including without limitation, text, graphics, and videos (“Site Content”), may be created and developed by third-party users and provided to Market Intelligentsia. We cannot guarantee the accuracy or quality of this user-generated content, which is provided “as is.” Market Intelligentsia does not own, develop, or endorse such content, nor are the users under our supervision. We rely on the accuracy of representations made by these users but do not necessarily verify their content.

3. Confidentiality Agreement

By using this Site, you agree not to disclose or personally benefit from any confidential information (“Confidential Information”) you access. Confidential Information includes details about our services, projects, and any proprietary information from Market Intelligentsia or its clients. Should you be required to disclose such information by law, you agree to promptly notify Market Intelligentsia.

4. Intellectual Property Rights

All content on this Site, including text, trademarks, service marks, logos, and copyrighted material, is owned by or licensed to Market Intelligentsia. You may not reproduce, distribute, or exploit the Site Content without prior written consent from the appropriate owner.
